

O guia MICHELIN *Great Britain & Ireland* 2014

Esta nova edição mostra Londres como uma das principais metrópoles gastronómicas do mundo

A Michelin deu a conhecer a seleção de estabelecimentos recopilados no Guia MICHELIN Great Britain & Ireland 2014. Este ano dois restaurantes passaram de uma para duas estrelas: Dinner by Heston Blumenthal e The Greenhouse. Entre as novidades de uma estrela destaca Ametsa with Arzak Instruction regido por Juan Mari Arzak e pela filha Elena.

Dinner by Heston Blumenthal, dirigido pelo seu chefe Ashley Palmer-Watts, rende homenagem à herança culinária britânica, enquanto **The Greenhouse** aposta na cozinha inovadora e na incomparável mestria da técnica de Arnaud Bignon. Ambos os restaurantes estão situados em Londres.

Entre as 15 novas mesas com estrela aparece **Wilks**, um restaurante de bairro situado em Bristol, e **Campagne**, em Kilkenny, que propõe uma cozinha contemporânea. Londres concentra o maior número de novidades nesta categoria, com um total de 9. **Lima** é o primeiro restaurante peruano a conseguir uma estrela, uma distinção que ilustra o crescente entusiasmo pelos sabores sul-americanos. Dois restaurantes de marisco são galardoados também com uma estrela, **Angler** e **Outlaw's at The Capital**, assim como dois restaurantes chineses, **HKK** e o **Bo London**, um novo estabelecimento do chefe Jason Atherton, **Social Eating House**, o restaurante de um jovem chefe britânico, **Story**, em Bermondsey, e o de um experiente chefe francês que se reinstala na Grã-Bretanha, **Brasserie Chavot**, em Mayfair. Aos mesmos há que acrescentar **Ametsa with Arzak Instruction**, restaurante de cozinha basca contemporânea, com Juan Mari Arzak e a sua filha Elena nos fogões.

“A edição 2014 do Guia MICHELIN *Great Britain & Ireland* oferece aos nossos leitores uma diversidade e uma variedade sem precedentes”, explicou Rebecca Burr, redatora chefe do guia. “Fabulosos B&B (Bed and Breakfast), pubs extraordinários, elegantes hotéis, restaurantes conceituados, estabelecimentos mais modestos com preços ajustados, todos aparecem no nosso guia”.

“O ano passado esteve marcado pelo auge dos restaurantes «de balcão» de ambiente descontraído, mas também pela abertura de algumas grandes brasseries. Ir a um restaurante tornou-se numa coisa menos formal, menos estruturada, e os horários e os menus tornaram-se mais flexíveis para se adaptarem às mudanças no nosso estilo de vida”, referiu a redatora chefe do guia.

“Se a presença de grandes chefes de renome internacional é uma fonte de satisfação, nós alegramo-nos tanto da promoção de uma nova geração de jovens e talentosos chefes ingleses como da constante evolução da cozinha britânica”, salientou Burr.

O guia também recopila 143 estabelecimentos na categoria Bib Gourmand, dos quais 27 são novos, desde Edimburgo com **Galvin Brasserie de Luxe** a Belfast com **Coppi y Home**, passando por Ramsbottom com **Hearth of the Ram** e Newlyn com **Tolcarne Inn**.

Os Bib Gourmand são um reconhecimento para as mesas que servem uma cozinha de qualidade a preços moderados, isto é, três pratos para uma conta máxima de 28 libras. Estes endereços são bastante apreciados pelos leitores do Guia.

O guia MICHELIN *Great Britain & Ireland* 2014 tem um PVP de 23,90 €. Também está disponível na Apple Store com um preço de 7,99 euros.

O guia MICHELIN London 2014, publicado a um preço de 15,00 €, oferece um panorama mais completo dos restaurantes londrinos, acompanhado com fotografias e informações de todos os estabelecimentos com estrela, assim como com um plano separável. O guia consta igualmente de uma seleção dos melhores hotéis de Londres em todas as categorias.

*A missão da **Michelin**, líder do setor do pneu, é contribuir de maneira sustentável para a mobilidade das pessoas e dos bens. Por esta razão, o Grupo fabrica e comercializa pneus para todo o tipo de viaturas, desde aviões até automóveis, veículos de duas rodas, engenharia civil, agricultura e camiões. A Michelin também propõe serviços informáticos de ajuda à mobilidade (ViaMichelin.com), e edita guias turísticos, de hotéis e restaurantes, mapas e Atlas de estradas. O Grupo, que tem a sua sede em Clermont-Ferrand (França), está presente em mais de 170 países, emprega a 113.400 pessoas em todo o mundo e dispõe de 69 centros de produção implantados em 18 países diferentes. O Grupo possui um Centro de Tecnologia que se encarrega da investigação e desenvolvimento com implantação na Europa, América do Norte e Ásia (www.michelin.es).*
